# C’ROCK MUSIC

When your customers are out on the town, they don’t want the usual cliched fast food. They want exciting, innovative snacks that are as thrilling as the music gigs, buzzing bars and parties they love to visit. Share with friends and family, feed your hunger and dive back into the party atmosphere, with the snap and crunch of our unique finger-food options, the satisfying flavours of our chicken tenders, wings, burgers and more.

Since starting from humble beginnings in 1935, Tyson Foods has revolutionised the food industry by providing generations of families with wholesome, great-tasting foods. As tastes evolve, we stay on top of consumer trends with fresh ideas and innovative products to expand our portfolio and give you the delicious foods you desire. From the farm to the table, we adhere to strict standards to produce high-quality products. We foster a sustainable culture to feed families well and raise the world's expectations for how much good food can do.

## Sustainability

As one of the world's largest food companies, we have a responsibility to help build a more sustainable food system. Directed by our new sustainability strategy, we have set bold goals and commitments that aspire to sustainably feed our growing world. Part of this initiative is to make our packaging more sustainable. This carton is made from 100% recycled material and is fully recyclable. Inside, you'll find that our bags are made out of plastics that are fully recyclable. It's all part of our ongoing commitment to reduce our environmental impact.

# Finger food
