**Keep it real.
Keep it Tyson.**

Since 1935

Since starting from humble beginnings in 1935, Tyson Foods has revolutionised the food industry by providing generations of families with wholesome, great-tasting foods. As tastes evolve, we stay on top of consumer trends with fresh ideas and innovative products to expand our portfolio and give you the delicious foods you desire. From the farm to the table, we adhere to strict standards to produce high-quality products. We foster a sustainable culture to feed families well and raise the world's expectations for how much good food can do.

**Keep it real.
Keep it Tyson.**

Since 1935

Sustainability

As one of the world's largest food companies, we have a responsibility to help build a more sustainable food system. Directed by our new sustainability strategy, we have set bold goals and commitments that aspire to sustainably feed our growing world, such as our commitment to achieve Net Zero Greenhouse Gas Emissions by 2050.

Supporting our company's environmental targets, our Tyson Brand products are packed in fully recyclable and bio-based plastics as well as FSC-certified recycled and recyclable carton.

**Keep it real.

Since 1935

Culinary Innovation

Disruption isn't just reserved for the tech industry and at Tyson Foods we always stay at the forefront of emerging food trends.

We have highly skilled, passionate and inventive culinary professionals pushing us forward. Our chefs are supplied with best-in-class market information and consumer insights from the best data providers in the market to achieve their goal: develop innovative foods that surprise and delight, food conceived with both convenience and conscience in mind.
